Huawei Engineering Scholarships 2013

Macquarie University is offering two Huawei Scholarships to final year students enrolled in the Engineering Program at Macquarie University. The scholarships are open to both domestic and international students.

Huawei is a large multinational networking and telecommunications equipment company with strong presence in Australia. Huawei is a member of the Engineering Industry Partnership Program at Macquarie University.

Scholarship Benefits
• $5,000
• high status and recognition from industry
• opportunities for work experience with Huawei
• increased career and salary prospects
• potential employment in Australia and Asia-Pacific region

Selection Criteria
A student will be eligible for the scholarship if they meet the following selection criteria:

(a) are undertaking a full-time program of study at Macquarie for the Bachelor of Engineering;
(b) will be studying at the 400 level in 2013; and
(c) hold a grade point average equal to or greater than 2.5 averaged over their years of study during the Bachelor of Engineering.

Scholarships will be awarded on a competitive basis and at the discretion of Huawei. Eligible students will be short-listed based on their CV, academic transcript and letter of application. Successful applicants will be contacted and an interview will be arranged with Huawei staff.

Applications close: 22nd March, 2013

Only hard copies of the application should be submitted. Applications should be sent to:
